Re: CalTrans 03-4F8404 – Bid Clerical Error

Dear Ms. Smith,

In accordance with Public Contract Code 4107.5, Q&D Construction LLC asserts a claim of an inadvertent clerical error of the listed scope of work for A&M Consulting Engineers in Q&D's electronic subcontractor list form included with Q&D's bid submitted on November 7th, 2018 for contract no. 03-4F8404.

Upon further review of the bid documents submitted, it was discovered that the Lead Compliance Plan was listed twice under two separate DBE sub-contractors. Q&D Construction will utilize Nevada Barricade to complete 100% of item # 1 Lead Compliance Plan, and will eliminate this scope of work from the subcontract with A&M

Should you have any questions or concerns, please do not hesitate to call.

Respectfully,

Q&D CONSTRUCTION
